“ *Ron was one of our very best friends and we will really miss him. Ron always offered to lend a hand or advice to us as new neighbors to the area. He taught us a lot about cabin ownership. We have many great memories of long pontoon rides, camp fires, building projects and long conversations with many laughs. He was a true friend and we are so sorry for his sudden passing. Ron was one of a kind and a special person. We will miss you, dear friend.*

*Ron was one of a kind. He was the only umpire I knew that thought the plate was twice as big as it was. Him and Timmy could really ride Black Velvet. I just watched. He was a great boss and a great man. Peace brother.*

“ *Tammy & family,*

*Very sorry for your loss. We have all lost a good person and Ron will be missed by many. Ron was very much a lover of nature and indeed did like his fishing up there on the Chain of Lakes. We will miss seeing him on the golf cart as he came by to visit. He fought a courageous battle and made the best of things getting out to fish and watching his sports. He was quick to offer help and make our early days very helpful as we became neighbors up on the Chain of Lakes. He remains in our hearts and thoughts and brings a smile to our faces when we remember his humor.  
Best Wishes now and always,
