“ *I have often thought of Rosalyn and I know you will miss her. She has not been living in Russell for some time, but when I go by the house where you lived I think of her.*

“ *I have so many fond memories of working nights with Rosalyn at the Tyler hospital. Not only was she a great nurse, but she made the best salad when she went into the hospital kitchen to fix us something to eat. Sending sympathy to all of her family.*
