“ *I have fond memories of visiting Sally & Ralph on their farm when I was small. Once in a great while we'd visit for Easter I think and I was always impressed at how much good food Sally could make - and serve -and keep warm all by herself. We would eat until we thought we would pop and then Sally would offer us more! I'll also remember the very "quick" way she spoke. My deepest condoleneces to the Ressemann Family and relatives.*
