“ You have our deepest sympathy. We are still in Az. and would be there if we could. Rosie was always such a sweet kind lady. I remember her coming to visit us soon after our first baby was born to welcome him to the neighborhood. She brought a flannel sleeper she had made as a gift. I always thought of her when that sleeper was used. In fact I got the pattern from her and made them for some of my other babies. She always shared whether it was apples or asparagus or something else from the garden. A good neighbor and friend. Teresa and Larry Kunkel

“ Uncle Matt and Aunt Rosie are my Godparents. I remember back in 1961 I made my first communion and back then the Godparents sat with their Godchild and went to the first communion with them while the parents watched. I remember being very proud to have them by my side. I knew it was a big day because my parents actually took pictures when we got home which was not an everyday thing. When I opened my first communion present from Uncle Matt and Aunt Rosie I couldn't believe my eyes. They had given me 2 silver dollars which I still treasure today. Thank you Uncle Matt and Aunt Rosie .
