“ *Al, My deepest sympathy for you and your family. You are in my thoughts and prayers every day. It was our pleasure to have met Ruth at the Mayo clinic when Dennis and I were down there. I am so sad to see her go, and you were so close to her. Keep the good thoughts with you.*

“ Hi, Esther and family. Accept my condolences on the death of Ruthie. She, and you, are in my thoughts and prayers. I will always remember all the great times we had at your farm and also reading lots of Comic books. For some odd reason, we never had those and so we kids were always so happy when mom and dad said "we going to Artie and Esther's house!"
Thank God for great relatives like you. Take care. Love, Joanne

“ My dear friend Al,
I'm so sorry for you and your family. You have been a wonderful brother to Ruth and I'm sure she appreciated you very much...and still does. Keep the good memories of her close to your heart and hopefully they will soon bring a smile rather than tears.

Even though it's times like these that certainly challenge our faith, together we can keep it and know the Lord now has Ruth in his arms.

Love, Brenda
