“ Dearest Uncle Lloyd and cousins, Mark, Julie, Lori, Jill, Bobby and Melissa,

I was with you in spirit today as I watched the Mass of Christian Burial for Ruthie.

While I am so saddened that she is no longer with us in her physical being, the memories that she has left in my mind and in my heart will live on in deep and profound ways.

How blessed I have been to have an aunt like Ruthie, who was always there whenever she was needed. How I loved going to the home that she so lovingly created and nurtured. I can close my eyes and still feel myself nestled in the comfort of the house...the kitchen table at which so many visits took place, the attic play rooms, the basement with the fresh smell of her laundry.

And, let's not forget about all those haircuts over all those years of growing up. How she loved us "icky black haired Forners"!

I rest in the belief that she is no longer trapped in the space that Alzheimer's created, but that she is eternally free.

May the memories of her love sustain us all as we go forth in this journey.

Much love,

Rita
