“ *what a wonderful lady, my cousin-in-law, a sweetheart. Always maintaining a positive attitude and her faith in God thru her years of fighting this devastating disease. A bright spot in my life. You are truly missed.*

“ *Sandy was a very special person. She and Joe have been more than cousins - they've been among our closest friends. We especially enjoyed the weekends they'd spend at the resort helping us with the spring planting. Lots of laughs and reminiscing. Love you, girl. There's an empty spot in my heart.*

“ *One of my first memories was of my sweet sister giving me a toy grayhound metal bus in the hospital after I had my appendics taking out when I was very very young to comfort me, wish I had it now. I'll miss her so much.*
