“ Pete and Heidi,
Our heartfelt sympathies on your loss. We will miss them terribly. Suzy and Donny have been friends of ours for 15 years and we loved them both. We met them through the American Legion and I got to know Suzy very well when I drove her to her pain appointments after she was hurt at Penneys. There was always a sense of excitement and fun when she walked in the room and I have been blessed for having known her. Dirk shared a birthday with Donny and we often were able to celebrate it with him. He had a great laugh and enjoyed sharing it. They loved both of you kids and talked about you all the time. Take strength in each other and god bless.

Our sympathy to your family.

“ Many years ago, Sue was my manager at JC Penneys at Brookdale. I learned so much from her and was able to use my skills managing a store as I got older. She was a good person who really knew how to take care of her customers and employees.

The retail world has last an exemplary example of a good manager....
