Susan was one of our “Besties “ friends for years and always added so much FUN to our get togethers! She was always up for pranks and added much laughter no matter what we were doing. May God wrap his loving arms around you all and heal our 💔 broken hearts. We will all be together again someday. God’s garden must be beautiful as he only takes the best!

Susan was one the kindest and gentlest people we have ever had the privilege to know. Her spunky personality, kind heart, great sense of humor and always positive attitude will be greatly missed by the entire Gorder family. We will never forget all of the wonderful times we had together traveling about Minnesota and the various out of state adventures we had. Much love to all of you at this very difficult time. Brian, Diane, Jeremiah, Keiko, Benjamin and Taylor Gorder (The lead feeder pig family).
