“ Growing up Teresa was my best friend's (Christine) mother and on many occasions a second mother to me. She always had an open door policy for all her children's friends. My fondest memory of Teresa was how she always kept a candle in the living room lit as a sign of her faith. This was just one of many ways Teresa brought comfort to my life. I am now comforted in knowing Teresa is at peace. I love you and miss you dearly!

Sincerely,

Rachael Hanson
