“ *I just read about the funeral, and, unfortunately, it has already taken place, or I would have made every effort to be there for your family. Ted and Delores were my favorite couple to visit when I would visit my parents at the nursing home. Jim was always so wonderful to Ted and my father, and I loved to talk with Deb and Delores also. My heart goes out to you, as I know the pain of losing parents (both mine died in the past year). If you send me Delores' address, I will visit her next time I am in Cold Spring. Prayers and peace to you.*
