*“ We are surprised to hear of Aunt Theresa's passing but we all know our day will come! We always liked Theresa, but developed a deeper relationship with her after Mom passed away eight years ago. The many visits, birthday parties and most special, the pontoon rides, will always be very special memories! We will hold dear the many pictures of all those times! We repeat one of your favorite sayings often; "Shit the hell!"*

*Our sympathy to the Family and hugs and handshakes to all!*

*Rest in peace Theresa! Hug Mom and Dad for us!*
