“ *Dear Ralph,*

*accidentally I found this death notice of Resi in the internet.
I would like to transmit my compassion and to say how sorry I am.
I met with Resi little time before the death of her mother (my aunt) in
Munich, when I picked her up from the airport.*

*Franz Stopfer (my uncle), the stepfather of Resi died in November
last year. I'm not sure if you know that. Unfortunately he didn't have
any contact with me before his death. He died very lonely and filled
with bitterness.*

*I'm not sure if you remember me because I was a little Boy when
you married Resi, but I remember you very well and the mother of
resi always spoke about you and your family.*

*I wish you and your big family all the best and I hope you get over
the pain of losing your dear wife Resi.*

*Many greetings from Bavaria, Germany,
Willi*
