“ *Tom, my dear cousin, I just found out about your passing. Tom, you were one of my examples of what a good man should be when I was a kid. My prayers going out to you and all who loved you. Cousin Manny Manchester from Hawai'i*

“ *Pam - I extend my deepest sympathy to you as you go through the heartache of losing your dad. His eyes would twinkle and his smile broaden whenever he spoke of you. I want you to know lots of us thought he was a wonderful man too. I worked with him at GMAC and he had a way of making the best of everything and went out of his way trying to make others happy. I will always remember the times he would show up at my desk and whisper "I brought you some fish. They are in the fridge. Don't forget to take them home tonight." He was my kind of fisherman - fish caught, cleaned and delivered with a smile. He will be missed. Hold your memories deep in your heart and remember it is ok to cry - any time and often.*

“ Tom was loved by his GMAC coworkers. We could always count on him to generate laughter and an upbeat environment. I will never hear the song, Corinna, Corinna without thinking of my good friend, Tom. My thoughts and prayers are with the family at this time of loss. He is gone from our sight but never will be gone from our hearts.

“ I worked with Tom at GMAC in the early 90's. Always ready to share a great story, joke, or life lesson, Tom took many a young employee under his wing and showed them the finer points of analyzing credit and buying paper. I am forever grateful that I crossed paths with Tom. My deepest sympathies.

“ Pam, My deepest sympathy to you. Tom was a good friend and coworker at GMAC. He was soo proud of you, I enjoyed meeting you last year at the Olive Garden. I'll miss meeting up with him and Ann in St. Cloud. No one could tell a good joke like Tom!! He's left a big hole in our world. He will be missed but always remembered with love!
