“ *I worked with Tim for over 30 years. He was a wonderful friend and coworker. Every year Tim would check the wild grapes around Rockville. He would let me know when they were ripe and often help us pick them. In return he received Grape Jelly. I enjoyed picking grapes with him and he enjoyed the grape jelly. Such a wonderful guy. I will miss him.*

I knew Tim for a long time, but only occasionally worked with him when I would bring customers in for a quarry tour. Tim was always willing to share his knowledge of the quarrying process and the granite industry. Tim had a great demeanor and had the ability to create connections with just about anyone. He will be missed. Gary Gertken.
