“ *Carla, I am sorry for all the pain you must be going through. I never knew your mom, but I know she must have been one of the best people on earth because of how wonderful you are. I will be praying for you during this difficult time and asking God to hold you in the palm of his hand. The intensity I'm sure is unbearable but I promise it will lessen. You will never forget your mom but it the pain will lighten as time goes by. Pain will turn to everlasting memories of the relationship you shared with your mom and the times you had together.*

I love you and will keep you in my thoughts.
