“ *I miss my grandma every single day. Every year around may I hurt deep inside my heart. She was the most amazing woman in my life. She helped raise me in place of my mom. I feel so bad for grandpa*

“ *Condolences to Bill and Karen and your family. From a previous posting it sounds like she is having a family reunion in heaven. It can be comforting to think of happiness and peace for eternity for those who we can no longer hold physically but feel around us every day.*
