“ I am sorry to hear of your loss. I know you have many memories to sustain you. My prayers o you all. I remember visiting with her when she came north and at some of the Peterson reunions. I will miss the visits. My mother always spoke fondly of her sister.

“ I can still hear her, "Lee, tell that one about the canary" or any number of other jokes he had. Aunt Ginger remembered my birthday all her years. She had the best laugh and was so tender hearted. So sad for your loss cousins, your mom was a gem and will be missed by many.
